EDUCATION BACKGROUND:

- 2000-2002: Diploma in Quantity Surveying/Estimator (option: BTP.) Morocco.
- 1999: Physics and Chemistry Specialty / Ibn Zohr University - Agadir Morocco.
- 1998: Bacalaureate Sciences. Agadir Morocco.

➤ PERSONAL PROFILE:

I have completed a Diploma in Quantity Surveying (Cost Estimator) from "Specialized Institute of Applied Technology and completed eighteen (18) years of experience as a SR Quantity Surveyor. During my time as Estimator, I have worked on a variety of projects including the construction of the Princess Nora University for women (PNUW) - Ministry of Education (MOE) Project – Saudi Arabia National Guard (SANG) -KAP1- Project Jabal Omar in Makkah & KAUST project in Jeddah.

I gained valuable practical experience during my work at many famous companies in Morocco, Africa /Gabon such as Group Kapi, PMUG, also in Middle East /KSA with Saudi Oger Ltd and Salini Saudi Arabia Co. LTD (Salini Impregilo Branch) which I think would be of great use now. Adding to my academic skills, I can specify some of my positive attributes gained through my exposure to the outside world like,

1. Ability to lead or work in a group coherently.
2. Effective Communication skills.
3. Hard working nature, professional and positive attitude.
4. Flexible in any task being assigned.

I feel confident that an interview with you would affirm that I would be an excellent Quantity Surveyor/Estimator team member. I am available for interview at any time. I can be contacted most easily on my mobile phone number. I look forward to meeting you.
