OBJECTIVE

Seeking a permanent, entry-level engineering position where I have the opportunity to apply the skills I have learned both in school as well as at the NYSDOT.

EDUCATION

SUNY Polytechnic Institute, Utica NY Bachelor Degree - Civil Engineering Technology (3.3 GPA)	August 2017 - May 2019 Graduated
SUNY Broome, Binghamton NY Associate Degree - Civil Engineering Technology (3.6 GPA)	September 2015 - May 2017 Graduated

EXPERIENCE

Tri-Kay Farms, Owego NY <i>Farm Hand</i> <ul style="list-style-type: none">Valuable experience learning the importance of hard work and time management.Milked and fed cows. Mowed and merged fields. Raked and baled hay/straw.Operated equipment - skid steer, tractors, and dump trucks.	June 2014 - August 2017
New York State Department of Transportation <i>Engineering Intern – Highway Design</i> <ul style="list-style-type: none">Developed abilities to work well with others and be a part of a team to accomplish tasks.Improved on communication skills and relaying important information.Assisted in designing and estimating a sidewalk project in the town of Vestal, NY.	June 2018 - August 2018

SKILLS

Software
MicroStation, AutoCAD, Revit, APPIA, Microsoft Office Suite

Soft Skills
Fast Learner, Detail Oriented, Easy to Work With, Trustworthy

ACTIVITIES

I was part of a multi-disciplinary civil engineering technology design team tasked with creating a fictional revitalization plan in an existing area. Each team had specific areas of focus that needed to be addressed including, site layout, utilities, storm water, and roadway design. We proposed our design for the area to a group college professors and engineers as if we were an actual engineering firm responsible for the project.
