Mobile No.: (+1) 551 – 227 - 5150

CAREER OBJECTIVE :

To pursue a highly rewarding career in an engineering company where I can utilize my skills and knowledge efficiently and proficiently for organizational & personal growth.

EDUCATIONAL QUALIFICATION :

Charotar University of Science & Technology, India GPA: **8.29 / 10**

Master of Engineering in Structural Engineering

SAL College of Engineering, Ahmedabad, India GPA: **7.21 / 10**

Bachelor of Engineering in Civil (May 2013)

PROFESSIONAL EXPERIENCE / THESIS WORK: 2 Years Experience

ASSISTANT PROFESSOR , Civil engineering Department (Ganpat University) (JUNE 2015 - AUG 2015)

- To give Lectures on Structural analysis, Advanced design of concrete structures
Advanced design of steel structures.
- Prepare lecture notes and study plan.

www.ganpatuniversity.ac.in

LECTURER, Civil engineering Department (Charotar University) (JULY 2013 - JUNE 2015)

- To organize lectures for Bachelor of engineering students.
- Grading & supervising during exams of undergrad students.
- Thesis work for the Master's in Structural engineering.

www.cspitcivil.com

THESIS: Dynamic Analysis of RCC Building using ETABS, Civil engineering Department (Charotar University) (JULY 2014 - JUNE 2015)

- Study different analysis methods static & dynamic analysis & understand behavior of structures under the different loadings.
- Observe the different behavior results from ETABS and compare and concluded.

TRAINEE ENGINEER (Rushabh Consultants) (FEB 2013 - JULY 2013)

- Study Architectural Planning / Layouts, Sections, Elevations.
- Make Structural Framing referring Architectural drawings.
- Model in design software and get analysis results.
- Estimating and Bill of Quantity work out for small scale projects.
