

# Ruzen V. Shafir

5 Emerson Drive • Latham, NY 12110 • (518) 495-3042 • Email: [shafir@sunyit.edu](mailto:shafir@sunyit.edu)

---

## EDUCATION:

### **State University of New York Polytechnic Institute, Utica, NY**

Major: Civil Engineering Technology  
Degree: Bachelor of Science (ABET accredited)

### **Hudson Valley Community College, Troy, NY**

Major: Civil Engineering Technology  
Degree: Associate of Applied Science (ABET accredited)

## EXPERIENCE:

- 2016 **New York State DOT, Albany, NY**  
Transportation Construction Inspector on State owned bridges.  
Responsible for working and coordinating with the contractor, ensuring work is done to plans and specifications, keeping detailed records, and maintaining safe work environment
- 2014-2015 **Advanced Testing Company, Newburgh, NY**  
Construction Materials Testing and Inspection services.  
Engineering Tech (QC for NYDOT): worked on the Patroon Island Bridge (I90) in Albany, NY, and Unistress Precast Plant (QA for the Port Authority) in Pittsfield, MA.
- 2013-2014 TrueGreen, service operator
- 2010-2013 SVS Construction and Mining Company, Freetown, Sierra Leone  
Assistant project manager and translator, lived 8 months in Sierra Leone, Africa.
- 2005-2009 Hannaford Warehouse DC, Schodack Landing, NY  
OSHA certified forklift operator, double pallet jack operator, freight loading and unloading, inventory and sorting.

## SUMMARY OF QUALIFICATIONS:

- ACI 1, ACI 2, and OSHA 10 certified. DEC Erosion and Sediment Controls Training.
- Skilled in Microsoft Office programs such as Word, PowerPoint, and Excel. Experience with AutoCad and Bentley Design software. Adept at utilizing the internet for research purposes.

## PRACTICAL FOUNDATION:

- Strong foundation of knowledge in civil engineering technology (i.e. Design of Steel and Concrete Structures, Construction Administration, Transportation Analysis, Hydraulics and Hydrology, Estimating, etc.) with ability and desire to continue learning.
- Positive work attitude with ability to organize and prioritize work.
- Ability to communicate with people at all levels, maintain good written and spoken English skills, ability to work to tight deadlines and under pressure, ability to work unsupervised, flexible and adaptable to a changing environment.
