

ACADEMIC QUALIFICATIONS

XLRI, Jamshedpur	2016 - 2017
Post Graduate Diploma in Management (General Management)	
The Institution of Engineers (India)	2009 - 2013
Bachelor of Engineering (Mechanical Engineering)	
SCD Barfivala Junior College (Mumbai)	2000 - 2002
XII Maharashtra State Board of Secondary and Higher Secondary Education	

PROFESSIONAL EXPERIENCE

Assistant Offshore Materials Coordinator - Transocean Inc. (Dubai Shipyard / India) April 2008 – June 2015

- | | |
|-------------------|--|
| Leadership | <ul style="list-style-type: none"> Supervised the logistics coordination between multi-national vendors and the shipyard management during the Dubai Shipyard Project for the Transocean Rig F.G.Mcclintock Coordinated between the various stakeholders in order to ensure that the equipment was delivered ahead of schedule Provided functional consulting for ERP based system alignment for Inventory management, post Global SantaFe acquisition |
|-------------------|--|

- | | |
|---|--|
| Operations – Logistics & Warehousing | <ul style="list-style-type: none"> Managed the inventory operations as an Offshore Materials Coordinator (OMC) for the Rig C.E.Thornton, with interface on SAP based modules Supervised the logistics of the equipment ordered to the rig coordinating with the third party logistics vendors and the in house logistics coordinators Prioritised and scheduled the delivery of equipment to the rig with least possible downtime |
|---|--|

Floorhand - Transocean Inc. (India)

- | | |
|-------------------------------|--|
| Operations – Rig Floor | <ul style="list-style-type: none"> Managed rig floor operations ensuring consistent high performance of the crew Supervised maintenance of rig floor equipment during oil drilling operations |
|-------------------------------|--|

Pumphand - Transocean Inc. (India)

- | | |
|-------------------|---|
| Leadership | <ul style="list-style-type: none"> Led a team of 6 people in maintaining, operating and monitoring all drilling fluid pumping systems and equipment associated with drilling fluids Supervised the fluid mixing team in mixing of drilling fluid as per the program preventing downtime losses, excessive formation pressure etc. Planned, strategized and coordinated with multiple stakeholders from different departments for the preventive maintenance and condition monitoring of pumping equipment |
|-------------------|---|

- | | |
|--|--|
| Operations – Preventive Maintenance | <ul style="list-style-type: none"> Managed operations of drill string and casing process, minimising downtime losses and resulting in an overall improvement by 1 hour from usual standard of 12 hours Monitored and maintained the pH level, density and the viscosity of the drilling fluid preventing hazards like corrosion of drill pipes, pumping systems etc. Planned, repaired and strategized the condition monitoring of the solids control system, ensuring uninterrupted operations Supervised the placement of the correct API (American Petroleum Institute) designated screens in the solids control system ensuring that the drilling fluid was free of solid impurities and hazardous gases |
|--|--|

AWARDS & ACHIEVEMENTS

- | | |
|---------------------|---|
| Achievements | <ul style="list-style-type: none"> Obtained the International Well Control Forum’s (IWCF) Certification Obtained the International Association of Drilling Contractors (IADC) Selected by Transocean Inc. to be a part of the Accelerated Rig Training Program and attend the drilling practices course in Malaysia. |
|---------------------|---|

- | | |
|-----------------------|--|
| Certifications | <ul style="list-style-type: none"> Lean Six Sigma (Green Belt) from KPMG On Job training certification in BOP Equipment On job training certification in BOP Downtime prevention On job training certification in Quality Health Safety & Environment (QHSE) |
|-----------------------|--|

ADDITIONAL INFORMATION

- | | |
|--------------------------|---|
| Software Packages | <ul style="list-style-type: none"> Basics of AutoCAD, Microsoft Office – Word, Excel, PowerPoint, Minitab |
|--------------------------|---|
